

I am delighted to write to introduce myself as the new Head Teacher of Largs Academy. In the short time since I was appointed to the post I have been overwhelmed by the positivity and support of the pupils, staff and wider community. I am well aware of the strong reputation of the school and feel confident and enthusiastic about leading it as it continues to develop and thrive. I can assure you that I am genuinely committed to Largs Academy and passionate about ensuring that our young people have the absolute best school experience.

Mr J Doherty
